# Chaplaincy Sunday this Weekend

*The Appeal is to Support the work of Chaplains in Prisons, Youth Justice, Public Hospitals, Seafarers and HIV/Aids Support.*

- ✚ Our dedicated chaplains in the Youth Justice Centre at Parkville can work under extremely sad circumstances; conducting funerals, memorial services, hospital visits and offering support at court appearances.*
- ✚ The role of the Catholic Chaplain is to walk with people as they seek out new possibilities in their lives and support them as they invite God and others to join them in this journey. They spend much of their time listening to the anxieties, fears, hopes and joys of those they meet. As one Chaplain describes It "What a privilege is the role of the Catholic Chaplain."*
- ✚ Contributions placed in envelopes and offered at the Parish collection time, will be sent to the Archdiocese for these important ministries.*

## INTEGRITY IN PUBLIC OFFICE - IS IT POSSIBLE IN THE AGE OF SPIN?

If “the truth shall set you free”, what effect does the opposite in communication and behaviour from public leadership have on fostering trust, respect, justice and compassion in the community, let alone confidence in our institutions?

**Dr Peter Frost** is exceptionally well qualified to lead on this topic. Until recently Victoria’s Deputy Auditor-General, he has been Deputy Vice-Chancellor at RMIT University, Special Advisor for Public Sector Reform in London at the Commonwealth Secretariat , with experience in thirty-three countries, and Program Director for the Asian Development Bank, among other posts. His Ph.D is in Public Policy and Education from Harvard’s Kennedy School of Government.

The PUMPHOUSE HOTEL provides a spacious and comfortable atmosphere. Meals available from 6.00pm –7.30pm. Remember: Support the Pub that supports SIP – Dine at the Pumphouse!

## ECUMENICAL PRIORITIES AFTER 50 YEARS OF ARCIC

ARCIC (the Anglican-Roman Catholic International Commission) was established in 1967 and has just published five agreed statements with commentaries from ARCIC II (1983–2005). The lecture will review their significance in the light of ecumenical progress since Vatican II and propose future priorities for theology, dialogue, church leadership and local pastoral activity.

Denis Edwards is a Professorial Fellow in Theology at Australian Catholic University and a priest of the Archdiocese of Adelaide. He has served on the Roman Catholic dialogues with both the Anglican Church in Australia and the Lutheran Church of Australia and has conducted research in the Theology of Receptive Ecumenism.
