# Sparks of ——— Beauty

## Stories that make us

### Sparks of Beauty in Literature

*A conversation with best-selling author Michael McGirr*

Great stories can be life-changing. They can feed your hungry mind and take your heart on a journey. Join us for an evening with Australian author **Michael McGirr**, as he takes us on a journey through stories—some ancient, some new—that have changed his life.

Michael McGirr is the dean of faith at St Kevin's College, a large Edmund Rice school in Melbourne. He is the author of many books including *SNOOZE: THE LOST ART OF SLEEP* (Text Publishing), *BYPASS: THE STORY OF A ROAD* (Picador), *THINGS YOU GET FOR FREE* (Scribe) and *FINDING GOD'S TRACES* (Jesuit Communications). Michael has written fiction and non-fiction for numerous publications both in Australia and overseas, including *THE NEW YORK TIMES*. He has reviewed almost one thousand books for *THE AGE*, the *SYDNEY MORNING HERALD*, the *CANBERRA TIMES* and *AUSTRALIAN BOOK REVIEW*. His latest work, *BOOKS THAT SAVED MY LIFE* (Text Publishing) is about the sheer joy of living, exploring forty texts that can enrich us in all manner of ways.

In dialogue with speakers from a variety of fields—art, science, music, literature, sport — the *Sparks of Beauty* series seeks to encourage a new imagining to Catholic spirituality in 21st century Australia.
