Parish Response Group For The Plenary Council

Our Parish Group discusses and drafts submissions for The Plenary Council of The Australian Catholic Church.

We have been invited to submit proposals for review and renewal of the Church prior to the national gathering in 2020.

Richard & Jan Curtain have facilitated a group of parishioners who have gathered to put together a series of submissions that may help the Church Plenary Council 2020 help reshape the way the Australian Catholic Church works.

Submissions taking shape are:

- Training of Priests has to change.
 - Seminaries are too narrow and monastic.
 - At the moment students are trained to be clerics.
 - Much more time has to be spent in parishes, like trained medical students spend significant time in hospitals.
- The presence of ministry has to be reshaped.
 - Rome has already given the light for married men to be ordained priests.
 - Celibacy has a questionable value amongst Australian Catholics today.
 - Women's Ordination has already gained acceptance by our parishioners.
- Other submissions are being prepared

You are warmly invited to our
