EDUCATING FOR JUSTICE

A lot happens in school these days. The many demands on teachers, students and parents alike mean that a lot of people struggle to keep up with the pace. So how can we make sure we see the forest and not just the trees? In Catholic schools, we want our students to discover and own a faith that does justice. We hope they will believe in a God who challenges them to transform the world, but how can we do it?

Michael McGirr is a well known author of books on very different topics, the latest being "Books that changed my life". He is also Dean of Faith at St Kevin's College. He will tell some tales out of school, and ask us to think about how we can grow the faith of our young in ways that are life giving and real.

The St ANDREW'S HOTEL provides a spacious and comfortable atmosphere. Meals available from 6.00pm –7.30pm. Remember: Support the Pub that supports SIP – Dine at the St Andrew's !

Our Parish Council wishes to facilitate a return to regular Childrens Masses

Fr Michael invites interested children and their families to meet with parishioner Sharon Wong after the 10am Mass on Sunday 8th September to gather the names of those would like to participate children's masses a year, Organised by the children with the help of their families. Fr Michael suggest these Masses are September 22, October 20 and November 17, this year. What is involved for the child/ren and their family who nominate a particular Mass, is to meet Fr. Michael, at the Presbytery the Tuesday prior to the Sunday 10am Mass (Sept. 17, Oct 15, Nov. 12), to plan for the liturgy.

Please do stay behind to meet Sharon Wong and give her your names for each Mass, so she can give these to Fr. Michael. We very much welcome our children participating in the liturgy!

Dear Parishioners,

Following on from the Parish Survey, parishioners have suggested forming some discussion groups that extend our interest and generate action and ideas. The groups suggested are:

Social and Family Engagement

Social Justice Working Group

Interfaith Dialogue Working Group

Shortly, interim link people will call for getting together to garner the interest there is and set a time to meet. Watch this space!
