# Father Richard Leonard SJ

## What is the Church doing on earth for Christ's sake?

These days going out to the world as a Christian and a Catholic is not for the faint-hearted. Many people think we are nuts for believing in the Father, Son and Spirit. How we hold and proclaim a sensible and joyous religious faith, and confidently impart it to our friends and neighbours, even in the face of serious, secular opposition, will be the focus of this free public lecture.

Richard Leonard is a Jesuit priest. He has degrees in arts and education, as well as a Master's degree in theology. Fr Richard did graduate studies at the London Film School and has a PhD from the University of Melbourne. He directs the Australian Catholic Office for Film & Broadcasting, is an Honorary Fellow of the Australian Catholic University, has been a visiting scholar within the School of Theatre, Film & Television at UCLA and a Visiting Professor at the Pontifical Gregorian

University in Rome. He has been published in America Magazine, Eureka Street, US Catholics and is a regular columnist with The London Tablet and a regular guest on ABC Radio. His most recent book: Hatch, Match & Dispatch: A Catholic Guide to Sacraments, has just been released.

## **EDUCATING FOR JUSTICE**

A lot happens in school these days. The many demands on teachers, students and parents alike mean that a lot of people struggle to keep up with the pace. So how can we make sure we see the forest and not just the trees? In Catholic schools, we want our students to discover and own a faith that does justice. We hope they will believe in a God who challenges them to transform the world, but how can we do it?

**Michael McGirr** is a well known author of books on very different topics, the latest being "Books that changed my life". He is also Dean of Faith at St Kevin's College. He will tell some tales out of school, and ask us to think about how we can grow the faith of our young in ways that are life giving and real.

The St ANDREW'S HOTEL provides a spacious and comfortable atmosphere. Meals available from 6.00pm –7.30pm. Remember: Support the Pub that supports SIP – Dine at the St Andrew's !

# Bill Kreckler

## St Carthage's Parishioner and Hospital Innovator

A true innovator, Bill saw the value in bench marking hospital data and collaborating for improvement back in 1995, as CEO of the Alfred Group of Hospitals, Bill was able to persuade and engage the first few CEOs on this concept, gained sponsor funding and passionately drove the conversations and data collections that enabled hospital executives to learn from each other in a collegial way.

Bill brought the tools of leading industrial companies into the hospital focusing on understanding the costs of delivering care.

Bill was able to assist hospitals to make dramatic improvements in patient care, which also saved 200,000.00 bed days per year.

He was named by his colleagues as The Knight of The Health Roundtable.

Bill Kreckler died on Tuesday 13<sup>th</sup> August 2019
