# Invitation to join stage 2 of discussion groups for Australian Plenary Council

The second stage of the Plenary Council is called communal discernment. This involves small groups meeting to discuss and make recommendations directed at national and local levels. The topics for discussion are based on the six themes identified from stage one - see the Plenary Council 2020 website for details of these themes.

Each discernment session is expected to result in a response that can be summarised in 150 words or so. A number of national Writing and Discernment Groups will then meet to discuss these responses. These groups are to prepare thematic papers to be used to work out the agenda for the first session of the Plenary Council in October 2020. Stage 2 is to be completed by the first few months of 2020.

Richard and Jan Curtain are interested in convening one or more discussions to develop short

recommendations on the six themes. If you are interested, please contact Richard or Jan at [richard@curtain-consulting.net.au](mailto:richard@curtain-consulting.net.au).

We hope to run one or more discernment sessions at the

Parish Centre on a week day for 1.5 hours from 7.30 pm in the time leading up to Christmas.
