Susan Frykberg

a parishioner of five years, has decided to return home permanently to New Zealand. Susan made many friends in a short space of time. She was a member of the Women's Theology Discussion Group, a founding member of the Meditation Group, and a member, and first chairperson, of the Parish Steering Group. During Covid, Susan has been unwell, and we didn't see much of her. We missed her enthusiastic, friendly and cheerful presence. And now, she must isolate before the plane flight home. But if you would like to wish her well, as she leaves Australia, the best way would be via email: sfrykberg@gmail.com

The **'Shape of Hope'** is a beautiful collection of personal stories outlining the human impacts of government policy and the many obstacles asylum seekers and refugee students face trying to access higher education in Australia.
