ISLAMIC MUSEUM VISIT

24 Parishioners attended the Islamic Museum, including a couple of friends. We learnt about the Islamic Faith, the Five Pillars, beliefs and practices of Muslims.

Islamic contributions to civilisation included engineering, astronomy, mathematics, coffee, soap and cameras, to name a few.

Islamic Art highlighted some Australian Artists. Highlights of architecture included mosques and palaces from around the world.

Finally we discovered Muslim connections with Australia throughout the ages dating back to the 1600s.

Most were able to stay for lunch and a coffee at the end.

The Museum is having a free open day on Saturday 7th February.
